Did You Know ...

THE JOLLY ROGER FLAG, WITH ITS BLACK BACKGROUND AND WHITE SKULL & CROSSBONES, WAS DESIGNED TO BE SCARY. THIS FLAG WAS NOT USED BY ALL PIRATES, USUALLY IT WAS ONLY FLOWN BY THOSE SAILING IN THE SPANISH MAIN. PIRATES THOUGHT THAT WEARING PIERCED EARRINGS WOULD IMPROVE THEIR EYESIGHT AND BELIEVED THAT HAVING WOMEN ON BOARD THEIR SHIP WAS BAD LUCK. THEY ALSO BELIEVED THAT WHISTLING ON A SHIP WOULD CAUSE THE WEATHER TO TURN STORMY (AS IN 'TO WHISTLE UP A STORM').
